

Christ King
CATHOLIC PARISH

LIVING THE CALL

Sharing God's Gifts

Dear Friends,

This is an exciting time to be a part of the Christ King community. Our parish is continuing to grow and the enthusiasm for our mission has never been stronger. A focus on intentional discipleship and the joy that comes from a life with the Church is defining what our parish is and what makes us special.

It is time for us to make a major investment in the life of our parish, the kind of gift that is not asked for often. This fall, you will be invited to be a part of a parish capital appeal. It has been over ten years since we have been invited to give to God in this unique way.

Like any 80-year-old home, our aging campus is in need of significant work so that our ministry is not impaired. While great maintenance and improvement work has been done these last few years, thanks to your stewardship, we are faced with major needs which can no longer be deferred. These needs relate not only to the infrastructure of our campus, but the demand to more powerfully evangelize through beauty, especially the beauty of our spaces and in sacred worship.

The title of our capital appeal is: **"Living the Call, Sharing God's Gifts."** This fall, I will invite you to commit more deeply to living the call of discipleship from Jesus and to acknowledge that all our resources are a gift from God. We offer God's gifts back as an act of love.

We witness this gift in those who came before us at the parish. They gave sacrificially to create an amazing space that facilitates beautiful worship and effective ministry. As we are grateful for previous generations and the sacrifices they made, now is our time to give to future generations of parishioners and to ensure our beautiful spaces are maintained and improved.

For now, I ask the following from you:

- **Inform yourselves** of our parish vision and goals, which will be shared in the next newsletter
- **Speak warmly** to your neighbors and friends about our efforts
- **Pray daily** for our parish leadership, for responsive hearts and for a successful appeal
- **Say "yes"** when you are invited to serve and to give

Watch for more detailed information in August. In the meantime, feel free to reach out to those parishioners who have agreed to assist in these efforts. I am grateful to them, and grateful to all of you.

Sincerely Yours in Christ,

Rev. Phillip Bogacki

CAPITAL APPEAL PILLARS

LIVING THE CALL
Sharing God's Gifts

Our capital appeal honors and builds on the foundation of Christ King Parish that was laid down eighty years ago. This appeal consists of four "pillars" that will provide us opportunities to grow and serve both our parish family and the community.

Below each pillar are a few of the highlighted projects:

Sharing the Gospel with Our Youngest Disciples - School & Religious Education

- Infrastructure and security updates to parish and school
- Dedicated space/materials for transformation of religious education curriculum

Sharing in Beauty Through the Eucharist - Sacred Worship & Sacraments

- Replacement of failing organ
- Church infrastructure upgrades
- Church lighting enhancements

Financial Responsibility & Campus Operations

- Campus improvements and deferred maintenance
- Capital improvement endowment completion
- Loan repayment
- Parking lot replacement

Sharing Our Love - Service & Outreach

- Gift to St. Vincent de Paul Society
- New sharing relationship with All Saints Parish

The **Living the Call, Sharing God's Gifts** capital appeal will kick off in September with Information Weekends detailing our parish vision and goals. You will receive an information packet about our vision for the future. When the time comes, please pick up your information packet, read it over carefully, share this information with others, and begin praying daily, **"Lord, how can I live your call?"**
